Washington, April 27.—The revised covenant of the league of nations, as it will be presented at Parls tomorrow to the peace conference in plenary session was made public tonight by the State Department. Its essential features, including important amendments designed to meet criticisms in the United States of the original fact, already had been disclosed through an official summary issued two weeks ago when, the revision was completed.

Attached to the text, however, is the hitherto unpublished "annex" referred to in the covenant in which are named the 31 states, including important amending the self governing British dominions, which are to be the original members are all the nations which declared war on Germany, and in addition the new states of Czecho-Slovakia and Poland, Those invited to become members by acceding to the covenant are the three Scandinavian countries, The Netherlands, Switzerland, Spain and Persin, and the structure of the league of the league of the covenant are the three Scandinavian countries, The Netherlands, Switzerland, Spain and Persin, and the structure of the league of the covenant are the three Scandinavian countries, The Netherlands, Switzerland, Spain and Persin, and the conference of neutrals at Paris, and as war expected, does not appear in the list; the processing the pr
